Councillor's Message

As local Councillor for Maple/ Kleinburg, I am proud to support WEConnect Community Services. Diversity is an integral part of our community and we value the services that WEConnect provides to ensure that our residents can integrate in their new community within the security of their own culture thus making Vaughan a more exciting City.

International Women's Day A Unique Celebration by WEConnect CS

March 14, 2015: WEConnect in collaboration with Herbal Queen Shahnaz Husain celebrated International Women's Day and month long activities were concluded at Dufferin Clark Community Centre. For WEConnect women volunteers, each day of March has been a day to

celebrate, inspire and render dedicated services to seniors and women facing challenges. The focus of the day was educating women on the importance of radiating beauty from within by adapting yoga & meditation, natural healing and relaxing facials that would allow

on their own individual being. Our expert panelists included Ms Rajshri Bharti, a spiritualist who focuses on health and healing through yoga, meditation and spirituality. Dr Yukta Laul is a licensed Homeopathic doctor who

Dr. Kiran Bedi India's First & Highest (Woman) Ranking Officer

Motivation, persistence and perseverance are the distinct traits of determined, dedicated individuals who can make things happen.

Message

Thank you for the kind invitation to be your guest at your International Women's Day celebration on Saturday, March 14, 2015. I would like to take this opportunity to wish you all the best for a memorable event which I am sure will be enjoyed by all the women in attendance. I commend your dedication to serve the community as a part of your Women's Day celebration in such a unique way. Your compassion and strength will inspire others to do selfless service to humanity. My best wishes to all women at WEConnect Community Services, keep up the good work.

Best Wishes,

Kiran Bedi

Dr. Kiran Bedi

WE aim to celebrate the courage of women who have chosen to move forward in their lives.
