We would like to give a very special thanks to Mr. McKay, Officer Dale Smith 33 division, Staff at the Parkway Forest Community Center for their cooperation, Belamita for Creative input, Poonam, Amat, Mrs. & Mr. Al-maghrabi, Soha, donors from North York and Maple, Media Support Hindi Abroad, Documenting Support AIMS. With great year round programs and services our stability results from the loyal dedication and hard work of our volunteers and from

individuals, businesses who financially support what we do year after year for our community. WE operates on a tiny budget for each Project. Our current aim is to encourage individual sponsors from within the community to support such projects.

WEConnect relies heavily on an army of volunteers. "We all offer what we can offer, which is kindness and a listening ear, genuine and caring human contacts with people." says Jaya.

There are many in the community who would like to get involved in the activities of common good to meet those needs. Please stay tuned as another project is in the pipeline and outreach and invites will start soon along with already running social activities. If you would like to be a part of our programs register at [www.weconnectcs.com](http://www.weconnectcs.com) to donate, volunteer or become a member.
